

Global Day of Repentance

COVENANT

Honoring the example of Daniel and of Nehemiah (Nehemiah 9:38) and his leaders and priests who made a "sure covenant" we, the undersigned, acknowledge how, in each nation, we have dishonored the Word of God and dishonored the full authority of the Risen Jesus Christ (Matthew 28: 18) by major sins and abominations including the following:

- we have created idols instead of placing God first in our lives
- we have killed the innocent, in the womb and with euthanasia
- we have legalized sexual perversions God calls abominations
- we have failed to honor His Land and His chosen people, Israel
- we have failed to call others into His Kingdom through repentance
- we have failed to display His fruit of the Holy Spirit
- we have failed to call others through worship and prayer to spread His love

Now, therefore, we, the undersigned, confess these sins as they apply to our own lives, to our families, and to our nations, and we repent. We humble ourselves, pray, seek His face, and turn from our wicked ways. We call upon the Lord in His Mercy, to hear from heaven, forgive our sins and heal our lands.
