

**Prayers to Heaven
The Plan #3 3/2/2024
Stephania, ShofarSounder**

The Plan:

We shall declare these things and they will be established for us; light will shine on our ways. (Job 22:28) We declare blessings are upon all who release these prayers to those who follow in agreement. The multiplication of many praying in unity is bringing about the achievement we want above all, the Kingdom of Heaven coming to earth!

We declare: “America prays for the personal safety and well being of the rulers the Lord has chosen to lead our nation, not man nor machines. Their entire family, friends and associates shall be safe and healthy. They and their entire families will be open to and receive Salvation. They shall rule with an excellent spirit of righteousness, wisdom, integrity and faithfulness to YHWH. They prosper even as their souls prosper and they live the full portion of their days. We declare seducing spirits of adultery, corruption and blackmail are bound in Jesus name. Traps for betrayal and unrighteousness are exposed and shall fail. YHWH’s chosen rulers are impervious to the overtures of the enemy. They are covered in the Blood of Jesus. Marriages are strengthened as steel and their health shall be remarkable.”(Psalm 91,1Timothy 2:2)

We declare: “America is a good and pleasant nation, our brethren dwell together in unity, together in love. Our minds choose to come into agreement with the plan of heaven for our nation. America is one under God with liberty and justice for all. We declare that justices, legislators and executives and those appointed to positions of authority rule righteously. Boycotts, childish petulance, partisan politics fall void before us. Every blockade opposing the election of the Lord’s chosen rulers is removed. The government of the Republic of these United States of America functions as our forefathers declared in the Constitution of the United States. Scales of justice are balanced. (Psalm 133:1, Proverbs 20:10)

We declare: “America is a nation governed by the rule of law. The lawless ones are restrained and bow to the name of Jesus Christ. Abortion laws are overturned and forbidden in all states of the Republic. Our military, law enforcement, intelligence and health officials are persons of integrity and dedicated to the preservation of our Constitution and life. They will not color outside the lines but will travel the road called the Highway of Holiness. The unclean shall not pass over it, but it shall be for others. Whoever walks the road, although a fool, shall not go astray. America belongs to the Lord and He shall reign over America! (Isaiah 35:8)
